Music

Trumpet since 2006, piano since 2010

Travel

Language stays in Germany and Wales

Thomas Moser

Full-Stack Developer

PROFILE

Full-stack developer in the avenit group since July 2024, currently working on web development at Vusyon in Offenburg. Trilingual in French, German and English, with an engineering background in computer science and electrical engineering. I also build and ship my own projects end to end, from web platforms to mobile apps.
